Elmer Reeder at 95

Elmer Reeder celebrated his his 95th birthday at the Grand Ledge A&W. When asked what his secret is to longevity, Elmer said his philosophy is to get off the couch and keep moving. Elmer still works five days a week at Reeder Piano where he refurbishes the woodwork on old pianos. He specializes in Steinways but also has worked on an antique piano as old as 150 years. Pictured: Tom Hamilton, Elmer Reeder, and Rick Jones celebrating Elmer's 95th birthday.
